REQUEST TO WITHDRAW INADVERTENT SUBMISSION OF IDS PAPERS  
AND REQUEST FOR REFUND

Dear Sir:

On January 21, 2009, an Information Disclosure Statement, including an Information Disclosure Statement Letter, a Statement Under 37 C.F.R. § 1.97(e), a PTO-1449 form, an NPL document, and a Fee Worksheet (hereinafter "IDS papers") were inadvertently submitted in this file using the USPTO's EFS filing system. The IDS papers submitted all referred to Serial No. 10/676,922; therefore, it is clear that the EFS submission of these papers in U.S. Serial No. 10/677,159 was a result of an inadvertent error.

This is a request to withdraw or disregard the IDS papers.

To the extent that any fee was charged to the deposit account 08-2025 due to this inadvertent filing on January 21, 2009, this is also a request to refund such fee to deposit account 08-2025.

Respectfully submitted,

Date:

Feb 3, 2009
